Adventist WestPoint: Encourage, Educate, Equip, and Empower. Reimagine what community engagement can look like by utilizing technology, social service events, networking with community leaders, as well as traditional and progressive evangelistic methods. April 21-24 at Reno, Nevada. For info: 1-805-413-7264.

HEALTH CORNER:

Vitamin C: The main reason why we experience the cold and flu is due to a lowered immune system. The best remedy is to aid the body in boosting the immune system. Vitamin C is wonderful for that. I like to use the liquid form by dropping the recommended amount into a glass of water. Be sure to avoid one with sugars, preservatives, and other fillers.

Herbal Rub: I like to combine a carrier oil with an essential oil such as eucalyptus or peppermint oil. Menthol oil also works great to rub on the chest to relieve sinus plugs.

Grapefruit Seed Extract (GSE): I like to put the recommended dosage of drops in my water, juice, or smoothie. You can purchase the liquid form in stores or online. GSE is rich in essential oils, is antibacterial, antiviral, and antifungal.

Vary your exercises: No one likes going into the gym and doing the same thing over and over again. A great way to stay motivated is to do a variety of activities, instead of the same old boring one. This could mean you use a variety of gym equipment and machines, or it could just mean you work on different muscles on different days. Many people like to do a variety of real-life activities, such as golfing, hiking, and playing tennis or volleyball.

Financial Report:

| | Monthly Budget | Received | Year-to-date |
