Today

Offering

Think about what you might give up- for a week. The money you would save could be put to work doing (big) things you may not have even thought of-- like starting Centers of Influence in some of the largest cities of the world or supporting Global Mission pioneers to serve among the still many unreached people groups of the world. Make your gift today to the **Annual Sacrifice Offering for Global Mission** and see what God might do.

This past month our **Local Church Budget** received a big boost- thank you, Church Family! And, please, don't stop.

October Budget Report
